Sedan

YARIS SEDAN IN SILVER PEARL

YARIS SEDAN IN SILVER PEARL

Yaris sedan has plenty of places to store things...

...cupholders on both sides of the dash for driver and front passenger

...handy pockets either side of the centre console

...and drink bottle holders in both front doors.

Take a closer look at the very stylish Yaris sedan

Take everything you ever thought about small sedans and toss it out the window. That's what Yaris' designers and engineers have done. The result: a smooth, flowing, endlessly stylish exterior, superb passenger comfort and award winning safety wrapped in a body size appropriate for your urban 21st century lifestyle.

EXTERIOR STYLING Yaris reflects Toyota's originality and innovation at every turn. Up front, the integrated bumpers, halogen headlamps and honeycomb grille create a dynamic first impression. In the rear, bold lines provide a sense of Yaris' solid, stable ride. The flush surface structure contributes immeasurably to Yaris' aerodynamic form and smooth ride.

INTERIOR CONVIENENCE of the Yaris sedan offers plenty of room with comfortable seating for five, a generous luggage capacity, multiple storage places and spaces, and is infused with ergonomic considerations that will both surprise and delight.

The wide opening doors and rear folding seats give you easy access to all sections within this compact yet spacious car.

PERFECT DRIVING PREFORMANCE is found in the winning combination of the smooth and the quiet. Yaris designers have put together a structure purpose-built to reduce body vibration.

In addition, extensive measures have been taken to isolate Yaris' interior from the noise of road and wind.

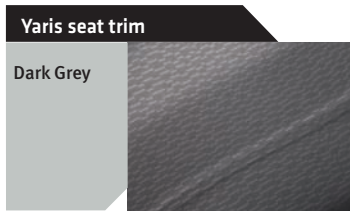

SAFETY AND PEACE OF MIND could well be Yaris' middle name. Anti-lock Brake System (ABS) with Brake Assist (BA), Electronic Brake-force Distribution (EBD), and Vehicle Stability Control (VSC) and Traction Control (TRC) are all standard features. From the solidly reinforced impact-absorbing body structure and the whiplash injury lessening front seats, to the driver and passenger front, side and front/rear curtain shield airbags and child rear seat restraint ISO fixing points with tether anchors, the Yaris sedan is like having your own personal bodyguard.

YARIS SEDAN IN SILVER PEARL

The smartly packaged Yaris sedan is a friendly companion in tight city spaces.

Dark Grey

Yaris exterior colours

Glacier White

Thanks to the compact exterior dimensions Yaris sedan has an impressive turning radius of 4.9 metres.

Silver Pearl METALLIC

Santorini METALLIC

Access to the spacious sedan interior is easy through the 4 wide-opening doors. Although Yaris sedan is compact outside, the interior space will surprise.

Aqua Marine METALLIC

Tidal Blue METALLIC

Sedan occupants are well protected with driver and passenger front, side and front/rear curtain shield airbags.

The split-folding rear seats of the Yaris sedan and huge boot space mean you can pack extra luggage for long trips.

Yaris sedan's new audio features Bluetooth for compatible phone connections and music streaming. The audio can also display transmitted FM station name, song title and programme information.
